SIR,—

I have the honour to transmit to Your Royal Highness, for the information of your Ministers, a copy of a notice published in the press on the 15th June, containing information for the guidance of persons desiring to record:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

2. The Foreign Claims Office referred to in the last paragraph of the notice has been set up at the Foreign Office for the purpose of dealing with all claims for the settlement of which no satisfactory machinery has existed hitherto, and which are foreign in the sense that they are claims by British

subjects against a foreign Government or by foreign nationals against His Majesty's Government.

#### BRITISH PROPERTY IN ENEMY COUNTRIES.

##### HOW TO RECORD CLAIMS.

WE are officially informed that it has been arranged that the Public Trustee shall keep a record of:—

(a.) Debts (including bank balances) due to British subjects from persons residing in enemy countries:

(b.) Other property in enemy countries (including securities) belonging to British subjects.

Any person desiring to record such claims or property can obtain the necessary form for that purpose (Form G in the first case and Form H in the second) from the Public Trustee. Applications should be made to the Public Trustee (Trading with the Enemy Department), No. 2 Clement's Inn, Strand, W.C.

It must be clearly understood that the action of the Public Trustee will be confined to entering upon the record claims of which particulars are supplied to him, and that in no way commits His Majesty's Government either to responsibility for the correctness of the claim entered or to taking any action on the conclusion of hostilities or otherwise for the recovery of the debts or property in question.

The Public Trustee will record claims against enemy Governments in respect of public securities of those Governments held by the claimants, but other claims against enemy Governments (e.g., in respect of goods or property requisitioned or sequestered) as distinct from claims against enemy subjects should be notified to the Director of the Foreign Claims Office, Foreign Office, S.W.

AT THE EXECUTIVE COUNCIL CHAMBER.

VICTORIA, B.C., Saturday, 2nd November, 1918.

PRESENT:

HIS HONOUR THE LIEUTENANT-GOVERNOR IN COUNCIL.

THE Honourable the Minister of Lands having reported:—

1. That the Kaleden Irrigation and Power Company, Limited, is a Company incorporated under the "Companies Act, 1910," of the Province of British Columbia, with its registered office at Summerland, in the said Province, and authorized by its memorandum of association to carry or supply water for irrigation purpose:

2. That under the provisions of section 171 of the "Water Act, 1914," and Order in Council No. 1615, issued thereunder and approved the 9th day of April, 1918, an inquiry into the affairs of the said Company and a report have been made:

3. That the said inquiry and report disclose, among other things, that the said Company is in possession of certain works for conveying water

from Sheep Creek and Marron Creek, tributaries of Okanagan River, to Lots Numbers 103 (S.), 104 (S.), 105 (S.), 3757, and part of the South Half of Section 24, in Township 88, Osoyoos, for irrigation purpose under water records appurtenant to the said lands, and that the said Company has heretofore operated the said works and conveyed waters for the owners of the said lands, but has not taken out a licence for conveying purpose, and has therefore no authority to collect tolls for carrying said water; that the said Company has no liquid assets, and its only revenue is that obtained from tolls collected from the said owners:

4. That one C. E. Banbury, the holder of a mortgage covering the greater part of the above-described lands, has applied to have the said works declared to be appurtenant to the said lands under the provisions of section 171 of the "Water Act, 1914":

5. That it is necessary in the public interest and for the protection of the water-users under the said Company's system, pending the consideration of the said application, that provision be made for the maintenance and uninterrupted operation of the works for the supply of water for irrigation to the lands served by the said works, and to that end that the said Company should be authorized to maintain and operate the said works for a limited period, and to collect such water tolls as the Board of Investigation may after notice determine to be just and reasonable:

His Honour the Lieutenant-Governor of British Columbia, by and with the advice of His Executive Council, doth order as follows:—

1. That pursuant to section 171 of the "Water Act, 1914," the Comptroller of Water Rights be directed to issue a licence for conveying purpose authorizing the Kaleden Irrigation and Power Company, Limited, to convey water from Sheep Creek and Marron Creek, tributaries of Okanagan River, to Lots 103 (S.), 104 (S.), 105 (S.), 3757, and part of the South Half of Section 24, in Township 88, for irrigation until the 31st day of December, 1919, on such terms as the Board of Investigation, under the "Water Act, 1914," after notice may determine to be just and reasonable; and

2. That it be ordered that in respect of the Kaleden Irrigation and Power Company, Limited, the cost of maintenance, repair, and operation of its water system shall be a first charge against the revenue of the said Company derived from water tolls to the exclusion of all fixed charges, whether by debenture, mortgage, or otherwise, against such Company.
